

January 2018 Newsletter

Firstly, Merry Christmas and a Happy New Year to everyone and thank you for your continuing support.

Conservation Area Appraisal

HCG apologises for the delay in publishing the draft appraisal which we expected to be ready in draft form for you to comment on this week.

The Conservation Consultant we employed is still working on HCG's draft appraisal document. HCG has received his first edits, commented and returned it with comments for a final edit.

Following receipt of the draft, the Management Committee will be adding the final pages and then publishing it on our webpage for the public to comment. We don't expect this to be before mid January because of the Christmas period. HCG will keep you informed of progress on the HCG FaceBook page. When it is ready to be published on the website and sent to Kirklees and the Parish Council for comment, we will send out another newsletter.

Date for your Diary

Holme Valley South Forum

Councillors Sims, Patrick and Firth have invited local residents to a question and answer session on ***Thursday 11th January 2018 7:00pm – 8:00pm at New Mill Club***. It's an opportunity to raise local issues with the Kirklees Ward Councillors. The new highway link through Holmfirth is of particular interest to the HCG community.
